**Re:** **Upcoming COVID-19 Vaccination Clinics**

COVID-19 Immunization clinics are now being established in all seven (7) health care zones across the province in January 2021.

These **clinics are by invitation-only, starting with priority groups**. Within Horizon, the priority group includes frontline health care workers who have direct contact with patients starting with: COVID-19 units, COVID-19 Assessment Centres, Intensive Care Units and Emergency Departments.

Employees in the priority groups will receive an invitation with all the information necessary to register for an appointment. Here is a list of upcoming vaccination clinics:

Location	Details	Date
Moncton	1 <sup>st</sup> Dose Clinic	January 6-8
Miramichi	2 <sup>nd</sup> Dose Clinic	January 9-10
Fredericton	1 <sup>st</sup> Dose Clinic	*Tentative* January 16-17
Saint John	1 <sup>st</sup> Dose Clinic	*Tentative* January 16-17
Moncton	2 <sup>nd</sup> Dose Clinic	January 14, 15, 18
Moncton	2 <sup>nd</sup> Dose Clinic	January 27-29

There will be more information to come about clinics planned in February 2021.

The goal is to offer the vaccine to all Horizon employees and physicians by late spring 2021. All employees will receive an invitation for a clinic in your zone by this time, and travel will not be necessary.
