Re: **Bulletin #4a – Thank you to our staff**

I am so very proud of our Horizon team!

Your on-going commitment to providing safe and quality care during the challenges we are facing resulting from COVID-19 is commendable.

Thank you for the extraordinary efforts you are making to ensure that you are coming to work for each and every shift. You are being creative in establishing alternate child care arrangements to ensure safe care for your children to enable you to come to work.

As was earlier shared, EECD has established a toll-free number for you to call to assist you with getting access to day care – **1-833-221-9339**.

You are making a difference in helping New Brunswick during this challenging time.

Thank you!
