Re: **Bulletin #8a – COVID-19 – Active Screening for Staff and Designated Entrances**

Active screening

Horizon is doing its part in flattening the curve on COVID -19. We take the health and safety of staff, visitors and patients seriously. As part of the state of emergency declared for N.B., we have an obligation to screen all persons entering our facility including staff and physicians.

Active screening is in various stages of implementation across the organization. By end of day Monday, all staff will be required to use only designated entrances and answer screening questions upon entry. This will occur each time they re-enter the facility.

Staff screening has been implemented at the following locations:

- Dr. Everett Chalmers Regional Hospital (physician entrance is now closed)
- Oromocto Public Hospital
- Albert County Community Health Centre
- Sackville Memorial Hospital
- 81 Albert St.
- 125 Mapleton Rd.
- Charlotte County Hospital
- Grand Manan Hospital
- St. Joseph's Hospital
- Sussex Health Centre
- Upper River Valley Hospital
- Hotel Dieu St. Joseph

Staff screening will begin in other areas at the following times:

- Miramichi Regional Hospital: 6 p.m. on March 23
- The Moncton Hospital: 6 p.m. on March 23
- Saint John Regional Hospital: 12 noon on March 23

Designated entrances for staff and physicians

Horizon is doing its part in flattening the curve on COVID-19. As part of the state of emergency declared for N.B., we have an obligation to screen all persons entering our facilities including staff and physicians.

All staff and physicians should enter through designated staff entrances to complete active screening. You can leave using any door but will be required to re-enter through a designated entry.

Fredericton Area

Dr. Everett Chalmers Regional Hospital (physician entrance is now closed)

- Emergency Department
- Main entrance
- East addition
- Staff doors at the rear of the building by the Family Medicine Teaching Unit (FMTU)

Please note: East addition and staff doors by FMTU will only be open when staffed
