

INFECTIOUS DISEASE AND INFECTION PREVENTION AND CONTROL COVID-19 COMMITTEE

Bulletin #43 – COVID-19 – ID-IPC – Patient Care – Orange Phase – May 14 2020

IPC Guidance Documents

The following documents are available on Skyline, which outline IPC measures for the current phase of the COVID-19 Response.

Infection Prevention & Control Guidance for:

- [Operating Room Suites During COVID-19 Orange Phase](#)
- [Operating Room Decision Pathway– Orange Phase](#)
- [Gastroenterology Endoscopy Units During COVID-19 Orange Phase](#)

Ongoing and consistent application of IPC measures will be implemented in accordance with the Horizon Clinical Recovery Plan.

In alignment with the Department of Health, the recovery phases are defined as:

1) Red: full containment

2) Orange: partial release

3) Yellow: further release

The ID-IPC COVID-19 Committee recognizes the need for future guidance documents addressing IPC precautions based on the various recovery phases for the COVID-19 pandemic.
