COVID-19 Bulletin

Importance of self-screening for employees and physicians

As we work together through the COVID-19 pandemic, it is important to be reminded of what's expected of everyone before entering any Horizon facility.

Every employee and physician must review the screening criteria to determine whether they may enter, or whether additional contact and follow-up with Employee Health and Wellness is required.

The updated questions and signage can be accessed [here](#), and below. All updated posters are available on the [Coronavirus Skyline](#) page.

All employees and physicians are reminded that they must self-screen, clean their hands, and follow protocols related to appropriate physical distancing and wearing of procedural masks in all Horizon facilities.

Employee Health is on call **daily** from 8 a.m to 8 p.m., and is available to answer any questions or concerns

by calling 1-833-978-2580 and **leaving a message.**

New Employee and Family Assistance Program

Through the COVID-19 pandemic, we've seen how important it is to remain positive and resilient; and having the support of an Employee and Family Assistance Program (EFAP) is more important than ever.

We are pleased to announce that the Government of New Brunswick has retained the services of **Homewood Health** as the new EFAP.

Access to the new program began on July 29. For further information on the transition, please see the [Skyline](#) page, where you can find:

Bulletin #64: COVID-19 Information

July 30, 2020

All managers and departments should have received hard copies of the wallet cards, pamphlets and posters. Please provide these to your staff and hang posters in staff areas.
