Re: **HR Update**

Screening criteria for employees and physicians entering facilities – Yellow Phase

Please review the questions below and remain familiar with them prior to entering a Horizon facility.

The updated questions and signage can be accessed [here](#). All updated posters are available on the [Coronavirus Skyline page](#).

All employees and physicians must self-screen, clean their hands, and follow protocols related to appropriate physical distancing and wearing of procedural masks in all Horizon facilities.

If you answer **yes** to any of the below screening questions, do not enter the building.

Instead, you are to:

- Contact Employee Health and Wellness at 1-833-978-2580
- Self-isolate
- Follow the appropriate absence notification process

#1: Do you have **TWO OR MORE** of the below symptoms?

- FEVER/SIGNS OF FEVER (e.g., chills, feeling hot/cold, shivers, etc.)
- NEW COUGH OR A COUGH THAT IS GETTING WORSE
- SORE THROAT
- RUNNY NOSE
- HEADACHE
- DIARRHEA
- LOSS OF TASTE OR SMELL
- NEW ONSET OF MYALGIA (muscle pain)
- NEW ONSET OF FATIGUE

#2: Have you been outside the Atlantic provinces (NS, PEI, NFLD & Lab) in the last 14 days for any reason, including work?

#3: Have you had close contact without the use of appropriate protective equipment with a confirmed case of COVID-19 and have not been cleared by Employee Health to return to work?

#4: Have you been in contact with Employee Health related to a previous screening and have had symptoms worsen since that time?

Employee Health and Wellness is available daily from 8 a.m. to 8 p.m. to answer any questions or concerns – please call 1-833-978-2580.

If Employee Health is not available to answer your call, we encourage you to leave a voicemail and your call will be returned by Employee Health within two hours, between 8 a.m. and 8 p.m.
