

CORPORATE UPDATE
Bulletin #80d: COVID-19 Updates
Oct. 23, 2020

Update to map of Orange level communities

In light of the government's decision to move the Moncton area (Zone 1) to the Yellow level, Horizon has updated the map that shows and lists the communities from the Campbellton area (Zone 5) that remain in the Orange level. You can view the map and list [here](#).

Screeners at all facilities will be provided with copies of this material, and it will be shared on horizonnb.ca.
