Re: COVID 19 – Change to Bulletin #75b – Working Outside of Horizon

Working outside of Horizon

As a follow-up to our communication on October 9, 2020, please be advised that Horizon employees are permitted to work in non-Horizon healthcare facilities (nursing homes, adult residential facilities, private clinics, etc.) provided that no outbreak of COVID-19 has been declared in that facility.

Employees and physicians who work in non-Horizon healthcare facilities where an outbreak of COVID-19 has been declared are required to advise their manager.
