Bulletin #106f – COVID-19 – GNB News Releases
Distributed: Jan. 13, 2020

One death reported / 19 new cases / cases in schools
Issued: Jan. 13, 2021

FREDERICTON (GNB) – Public Health confirmed today an individual between 70-79 died in Zone 2 (Saint John region) as a result of underlying complications, including COVID-19.

The individual was a resident of Lily Court of Parkland Saint John's Tucker Hall. This is the province's 12th COVID-related death.

"Marcia and I are saddened to hear of another loss in our province due to COVID-19," said Premier Blaine Higgs. "On behalf of all New Brunswickers, we offer our sincere condolences to their family and friends. Our thoughts and prayers are with all those grieving at this difficult time."

"This is another sad moment for New Brunswick," said Dr. Jennifer Russell, chief medical officer of health. "I ask all New Brunswickers to join me in extending our heartfelt condolences to the family, friends and loved ones of the deceased."
