

**Precautions related to an increase in the number of COVID-19 cases identified in the
Edmundston Area (Zone 4)**

March 25, 2021

Droplet / contact precautions

In response to the increase in number of positive COVID-19 cases identified in the Edmundston area (Zone 4) all patients presenting to Horizon facilities from this area will be managed under Droplet/Contact precautions.

Patient and visitor screening tool

As well, the screening questions for patients and visitors have been updated and can be accessed [here](#).

All updated posters are available on the [Coronavirus Skyline page](#).
