Social visits can occur between 2 and 8 p.m., daily.

**All visitors must:**

- Self-monitor for symptoms and follow all Infection Prevention and Control precautions.
- Wear a face mask. When you come to a hospital or health care facility for an appointment or to visit a loved one, you will be asked to put on a face mask before entering.
- Maintain physical distancing and clean hands frequently.
- Only go to the patient's room and limit interactions with staff, patients and other visitors.

There are further guidelines for compassionate visitation based on where visitors are travelling from and whether or not they have been vaccinated against COVID-19. Visit [HorizonNB.ca](http://HorizonNB.ca) for a detailed overview.
