### COVID-19 Bulletin

#### [GNB vaccination policy for employees](#)

As demonstrated by the current cluster of COVID-19 cases in the Moncton region where 94 per cent of the cases are not fully vaccinated, vaccination is the single most effective way to prevent the spread of the virus and to protect ourselves individually and collectively, especially our children.

As the provider of public services, we must take the steps needed to ensure a safe and healthy environment for our employees as well as all citizens who access our services.

Cabinet has approved a policy that requires GNB employees:

- to provide proof of full vaccination against COVID-19; or
- if they do not provide proof of full vaccination, to wear a mask in the workplace and undergo regular testing for COVID-19 until they are fully vaccinated.

- **Please note: Masks will continue to be mandatory for all Horizon staff, physicians and volunteers.**

The policy also makes full vaccination against COVID-19 a condition of employment for newly hired employees (except for those who provide a medical certificate of their exemption from the vaccine).

The effective date for this new policy will be communicated once we confirm, in consultation with Public Health, the details for:

- medical exemptions;
- the testing requirements (e.g. frequency and type of testing) and process;
- the process for providing proof of vaccination.

These details will be communicated very soon. In the meantime, you are encouraged to get vaccinated if you have not done so already.

# Bulletin #161: COVID-19 Information

## [Accessing Record of COVID-19 Immunization MyHealthNB](#)

As shared in [Special Bulletin - COVID-19 - Accessing your Record of COVID-19 Immunization through MyHealthNB - Aug 18 2021](#), if you have lost your paper copy of your Record of COVID-19 Immunization and you require a replacement, you may now view and print your Record of COVID-19 Immunization online through MyHealthNB.

The paper Record of COVID-19 Immunization provided by staff at vaccination clinics is and will continue to be your official record.

Instructions on how to access your Record of COVID-19 Immunization through MyHealthNB were shared in the [special bulletin](#).

### [FAQs for MyHealthNB](#)

A series of Frequently Asked Questions (FAQs) has been created to help you through this process. Click [here](#) to view the FAQs. The FAQs are also available on the [COVID-19 Vaccine Information Skyline page](#).
