**Re:** **Employee Health Updates**

Our goal is to provide you with information that will assist you in navigating the COVID-19 pandemic and keep you safe and well. Please be advised of the following updates.

## Employee Health Resource Pages

The following resources are available through our [Employee Health COVID-19 Skyline page](#).

1. [NEW Outbreak & Exposure Management Resource Page](#) – this page includes direction and answers to questions about what to expect if there is an exposure or outbreak in your area of work.
2. [Testing & Isolation Resource Page](#) – this page includes direction and answers to questions about isolation strategies and testing access.
3. [Travel Guidelines Resource Page](#) – this page includes direction and answers to questions about the travel notification process & travel testing requirements.
4. [Vaccine Policy Resource Page](#) – this page includes direction and answers to questions about vaccine requirements & processes.

## Updated Scenario Guidelines

**NEW** Updates have been made to all three scenario guidelines — conventional, contingency and crisis — effective today. Please visit the [Testing & Isolation Resource Page](#) to view these updated guidelines.

**EFAP Reminder!** Employees, family members, managers & supervisors can receive advice, counselling, and coaching 24 hours a day, 7 days a week, 365 days of the year through Homewood Health EFAP program. **Access on mobile by downloading the *Homewood e-AP*. Access on desktop by visiting [Homeweb.ca](#).**
